Additional Process Information

Consignor assumes all liability resulting from injury to persons and/or property due to hazardous or toxic substances contained in materials or equipment returned to Richards Industries.

**CERTIFICATION OF DECONTAMINATION (Required for all returns/repairs)**

I certify that the material being returned to Richards Industries has been:

Not exposed to media (other than clean air, water or steam)  Never Installed

Exposed to  and has been decontaminated (Attach Material Safety Data Sheets to the outside of package)

Unless otherwise specified by Richards Industries, any media inside product should be flushed out completely, including any media trapped in areas such as behind seats, around the ball (Marwin), above damaged diaphragm (Jordan), etc.... Removal of this trapped media may require partial stroking of the valve, removal of housing or other measures. Please refer to product installation and maintenance manual for specific details.

(Signature)  (Company)  (Date)

**Please Note: (failure to comply will result in refusal of shipment or return at shipper's expense)**

- All Packages must have approved RGA# (see below) clearly marked on the outside, and a copy of this completed form inside.
- The RGA# is valid for 60 days (North America) or 90 days (International) and subject to cancellation.
- Items held for more than 30 days from repair quote date, waiting for customer approval or instructions, are subject to return / disposal.
